

BHive

GoBlu International Ltd is proud to certify that

BT BIOTEX SDN BHD

is a BHive member.

The BHive is a platform that promotes transparency and the use of more sustainable chemistry for textile and apparel manufacturers, brands, and retail organizations.

BHive membership demonstrates that a company is committed to chemical sustainability and transparency.

BT Biotex SDN BHD is a current BHive member. This company has declared the sustainability credentials supporting the chemical products used for textile manufacturing, and this information has been uploaded onto The BHive database.
